

As Catholics, we believe that those who have died are separated from us physically, though spiritually they remain connected to us. Death does not sever the bonds of communion. Just as we have spent our lives sitting side by side with other parishioners in our regular celebration of the Sacred Mass, we make our final resting place, side by side with our Catholic brothers and sisters on the most Holy Sacred ground of the Catholic Cemetery. It is only natural that those who share the same faith in life will wish to carry on that sense of community in death. This is the beauty of a Catholic Cemetery; a community of believers, together resting in peace.

Pre-planning for your final resting place is a smart financial and personal decision. Choosing to be laid to rest with a community of believers in a Catholic Cemetery is honoring your memory, the memory of your most loved ones and honoring the most sacred Catholic tradition. A Catholic Cemetery is Holy Ground. It is a sanctuary of Prayer. It is a Celebration of Eternal Life. Come meet with our Memorial Counselor and ensure your peace of mind in this most beautiful transition of life.
