

MESSAGE FROM BISHOP O'CONNELL

Hurricane Laura has wreaked havoc in Louisiana and Texas, devastating families, damaging and destroying homes and churches. Here in New Jersey we are quite familiar with such experiences.

I invite you to consider contributing a gift to help rebuild and restore the lives of our affected sisters and brothers and their families through these Dioceses or their Catholic Charities.

May God bless, protect and restore the people suffering from the effects of a Hurricane Laura! Let's keep them in our prayers. Thank you for your generosity!
