

St. Boniface Facilities & Grounds Commission Minutes - February 12, 2019

Review of financial Report, Mike Edwards made motion to approve, Philip Schipp 2nd, all approved.

Neil Collignon going to take down tree on east side of church, and a new one planted, also looking at the trees around the shelter house.

Father is going to talk with Fred about tree on his property leaning over tombstones; needs addressed.

Alley between church and Peters', asphalt \$12,662, going to look at bids for concrete.

Upgrade to bathroom and confessional going well, about another 2-3 weeks and will be finished.

Jan update, air handler unit in church is out, replaced heat motor in large dining room, call Mominee Studios, stain glass hot to the touch on very cold days.

Gudorf needs to put hot water heater in parish center.

Lightning protection on list with Helming; it's a go.

Reviewed proposed parish center guidelines, for all who use the building.

Neil Collignon vice chair; Glen Welch secretary; Earl landscaping (church proper)

Loretta to figure out her hours.

Kathy Seckinger to divide parish center cleaning one group per half, (restructure).

Future Upgrades: ladies' restroom, finance room, small classroom, and picnic storage, last two doors in parish center.

Look at LP gas. Vaal's Propane was bought out by SynEnergy Partners; get an underground tank or stay with one similar to what we have? Neil going to talk with SynEnergy.

The front doors for church were finalized! The door will be ordered.

No word on the towns 175th anniversary.

Fall 2018 claim was filed, Astro security, home town music.

Claim filed February 5, 2019, person fell on steps in front of church by the highway.
Look at how we can light the stairs better.

United Catholic Appeal: \$200 from our goal!

*Respectfully submitted by Glen Welch
