Dear parents and guardians,

By now many of you have heard that our beloved principal, Donna Jacques, has taken ill. As I write this to you, her condition is critical. Donna, whose faith is obvious, needs our prayers.

With the consolation of the school board and the superintendent of Catholic Schools we will be putting in place temporary leadership that will be responsible for the day to day operating of the school. I can ensure that the quality education that has become the hallmark of St. Thomas School will continue. I will follow up with another message once this person is in place.

In the meantime, please continue to keep Donna in your prayer. Pray also for the teachers and students at the school who will be missing a very important part of their school family.

Sincerely in Christ,

Fr. Bill Labbe
Pastor
