THE HOLY SEASON OF LENT—FAST AND ABSTINENCE NORMS

ABSTINENCE
The law of abstinence requires a Catholic 14 years of age until death to abstain from eating meat on Fridays in honor of the Passion of Christ on Good Friday. Meat is considered to be the flesh and organs of mammals and fowl. During Lent, abstinance from meat on Fridays is obligatory in the United States as elsewhere and it is sinful not to observe this discipline without a serious reason (physical labor, pregnancy, sickness, etc.).

FASTING
The law of fasting requires a Catholic from the 18th birthday [Cannon 97] to the 59th birthday [i.e. the beginning of the 60th year, a year which will be completed on the 60th birthday] to reduce the amount of food eaten from normal. The Church defines this as one meal a day and two smaller meals which if added together, would not exceed the main meal in quantity. Such fasting is obligatory on Ash Wednesday and Good Friday.

THOSE WHO ARE EXCUSED FROM FAST OR ABSTINENCE
Besides those outside the age limits, those of unsound mind, the sick, the frail, pregnant or nursing women according to need for meat or nourishment, manual laborers according to need, guests at a meal who cannot excuse themselves without giving great offense or causing enmity and other situations of moral or physical impossibility to observe the penitential discipline.
