**Pastor’s Weekend Message**

Blessings Holy Family. Today’s Gospel states, “There is one thing more you must do”... “you will then have treasure in heaven. After that, come and follow me.” With these words, “the rich man’s face fell. He went away sad”. The Gospel says that the man was rich but for us we are called to go beyond the richness. What is the “one thing” we must do for God, Church or family? Think of the “one thing” that keeps you away from a better relationship with God and those around you. What are you doing about it? The call to discipleship is always challenging but not impossible. Someone said at one point, “We are called to be faithful not successful” (Mother Teresa). Ask yourself: Am I a faithful and true disciple of Christ? In what ways do I show it? How am I a disciple of the Lord? What do I need to give up in order to follow Jesus? What is it that I am doing to help Holy Family? What will I do for Holy Family today? What have I done today to show God’s Presence in my life? We must never forget that prayer and action go together. Let us be disciples of Christ, because “For man it is impossible but not for God. With God all things are possible.” I have great confidence that you can do great things for Holy Family with the grace and power of God Most High. God bless you and God bless Holy Family.  

Fr. Juan, your Pastor

October is the month of the Holy Rosary and this entire month is dedicated to the Rosary. The feast day of the Holy Rosary in particular is October 7th in memory of the glorious and triumphant victory at the battle of Lepanto. That battle was the most convincing military victory that proved without a doubt the great power of the Rosary. The month of October is a good time to commit to praying the Rosary everyday. The Rosary will bring great peace and holiness to your life. It is a powerful instrument for conversion and the Rosary is the best method of honoring Mary. It protects the Church from false teachings and keeps her safe from the attacks from the Enemy. There are some great ways to celebrate the month of the Holy Rosary... Pray the Rosary everyday this month. Pray it especially for priests. Even though the Year For Priests has come and gone, they still need your constant prayers.
