Twenty-Ninth Sunday in Ordinary Time

“Pastor’s Weekend Message”

Let us move forward with full confidence and trust in God. I am excited for Holy Family because a better and brighter future lies just ahead which includes getting our new location ready. Our parish continues to move forward in doing some initial work. Pastorally and spiritually, this is a very good idea. I have full confidence that the Holy Spirit is calling our church to move forward. All is possible for all those who trust and have confidence in God. I also have full confidence in Holy Family that we can do this. Our Building Development Committee continues to work very closely to clean and clear our acquired Tully/Bangs property. However, we must also continue working very prudently and diligently to cover all the other necessary requirements. We rely on the guidance of our Pastoral and Finance Councils. For our part, as parishioners, we must do the following: We must continue to grow in our membership because Holy Family needs to be known and visited by new people. Also, as permanent members, we are responsible for helping Holy Family in its financial needs. I realize that all of us are struggling to make ends meet and for this reason the Church relies heavily on your offerings. In fact, to continue our Church’s operational budget, I am encouraging each one of you to consider being more generous with your Sunday offertory. At the end of the day, if we are called to build a new Church the responsibility lies on us. We are to be the ones who ought to give more generously to and for Holy Family. On another pastoral note, I want to express my sincere gratitude to all who were able to come to our Festival. Thank you for all your prayers, help and support.

Tilly… the Most Convincing Military Victory That Proposed Without A Doubt The Great Power Of The Rosary

October is the month of the Holy Rosary and this entire month is dedicated to the Rosary. The feast day of the Holy Rosary in particular is October 7th in memory of the glorious and triumphant victory at the battle of Lepanto. That battle was the most convincing military victory that proved without a doubt the great power of the Rosary. The month of October is a good time to commit to praying the Rosary everyday. The Rosary will bring great peace and holiness to your life. It is a powerful instrument for conversion and the Rosary is the best method of honoring Mary. It protects the Church from false teachings and keeps her safe from the attacks from the Enemy. There are some great ways to celebrate the month of the Holy Rosary... Pray the Rosary everyday this month. Pray it especially for priests. Even though the Year For Priests has come and gone, they still need your constant prayers.
