Blessings Holy Family,

Today’s Gospel relates that our Lord Jesus was “on the road” or the “roadside” and that many people, the crowd and his disciples continued to follow Him on “the road” to Jerusalem. In the city of Jericho, he healed the blind man named Bartimeus. As a community of faith, Holy Family can learn a lot from Jesus. We are also “on the road” or “on our way” to a new location, but like Jesus, we should not neglect or forget to do what is right and necessary for those who are around us. Holy Family should continue praying and reaching out to all its members. We ‘are family’ every time we care for our community. Our Holy Family Community fosters and cherishes a spirit of hospitality and welcome to all who are on “the road” to be in a better relationship with the Lord. Pray at all times. During this fall season, we all need the especial attention to focus on Jesus, family life and pray for all those in most need of God’s mercy; especially the poor and infirm. We must be the hands, feet and heart of Jesus. I thank you for all your patience, perseverance and prayers during this important period of being family to one another. Thank you to all new families who have registered and to all who have begun the new Offertory Parish Program. May the Lord continue to bless you always.

Blessings in the Lord,

Fr. Juan, Pastor

RESPECT-LIFE. Thanks be to God that California Governor Brown recently vetoed senate Bill 320, which would have required California State Universities to offer chemical abortions to all university students. A very dedicated group of largely Catholic individuals worked very hard for many months against this bill as it made its way through the California Legislature and finally to Governor Brown’s desk. Although the odds seemed to be against them, they persisted in faith and the result was miraculous!
