Finding the Safe Environment training from the Virtus website

If you have been asked to complete the Safe Environment training online, and are having trouble finding this training, please follow the steps below to find and view the training online.

1) If you have not already, you will want to log into the Virtus website, which is located at this link: https://www.virtusonline.org/virtus/index.cfm

2) After logging into Virtus, you will see a screen similar to the one below:

3) Click on the check mark area that says Protecting God’s Children Online Awareness Session 3.0 (indicated above) to start the session up. It will immediately start the training beginning with a popup screen similar to the one seen below.
4) Click the **Click Here to Start** area and you will see the first that you will answer online, then it will start a brief video, and follow up with another question. The training goes through 13 section, which take approx.. 1 hour to complete.

Please complete the training all in one session, otherwise you may need to start back from the beginning. If you have any other questions, you can contact the Office of Safe Environment at the Diocese of Madison by calling: 608-821-3016 or by emailing: ose@madisondiocese.org

If you are having issues with the Virtus site directly, if you are getting an error, etc. Please contact them directly Monday-Friday from 8am-5pm at the toll free number: 1-888-847-8870
