Circle of Grace - Children's Curriculum
School is right around the corner - please remember that the Circle of Grace Safe Environment Children’s Curriculum is still required to be presented anytime between the start of school up until Thanksgiving. This program is for all children in our Catholic schools and in Parish Faith Formation classes to assist them in understand their value and dignity as children of God. The format for this curriculum is as follows:

1) A customized letter to parents should be sent out at least 2 weeks in advance of presenting your lessons. We’ve included a list of common questions and an opt out form to include.

2) Please send the link to the right to your teachers/catechists who will be presenting the program. It lists all the lesson plans, per grade, to be taught and is in a password protected location. Please use: COGMadison to access the contents.

3) Collect from each teacher/catechist the dates presented, the total number of students enrolled in the class and the number that attended the class when the curriculum was presented. You will be reporting these numbers, per grade level on the Diocesan Data Hub.
If you need to discuss alternate methods for presenting the Circle of Grace curriculum, please reach out to the Office of Safe Environment: 608-821-3133 or ose@madisondiocese.org

Please remember Thanksgiving is the deadline for the Circle of Grace program

Blessings on your preparation for school and classes. Thank you for all the work you do!
