

Children's Curriculum for Safe Environment Report Aid Academic Year 2020/21

Beginning in the Fall of 2018, the Diocese of Madison will be using the "Circle of Grace" program for the children's component of our Safe Environment efforts. (<https://www.madisondiocese.org/childrens-program>) Parishes and schools may choose to present these lessons on whatever schedule fits their needs so long as they are presented before Thanksgiving Day. (Any exceptions to this must be approved in advance by the Office of Safe Environment at: ose@straphael.org)

Upon completion of presenting this program, each Safe Environment Local Administrator should receive information for reporting each parish and/or school's participation. These numbers will be reported separately for each parish/school at the Diocesan Data Hub found here: https://apps.madisondiocese.org/DOM_Parish_Data/

The below tool is for use ONLY to assist you in gathering numbers, and should be used to enter in your numbers into the Data Hub.

Name of Parish/School: _____ City: _____

Report is for: _____ Parish Catechetical Program OR _____ School

Grade	Total Number of students enrolled	Number present for this session	Opt-Out Forms Collected	Absent without Opt-Out form	Date(s) presented
Pre-K
