
SEAT OF WISDOM DIOCESAN INSTITUTE

Certification for Catholic Schools

I. Preamble

A. What is Certification?

For the past 10 years teachers have been participating in the in the Seat of Wisdom Diocesan Institute to fulfill expectations for catechetical certification expectations. Prior to Seat of Wisdom, teacher and catechists in the Diocese sought ongoing formation through the F.O.R.E.M program. The Seat of Wisdom Diocesan Institute (SOWDI) is a program of adult faith formation and catechetical certification in the Roman Catholic Diocese of Madison. It offers a comprehensive and systematic formation based on the *Catechism of the Catholic Church* and aims to draw its participants into deeper communion with Jesus Christ, strengthening them to be more effective witnesses and teachers of the Gospel. SOWDI houses both live and online (Franciscan at Home). The Seat of Wisdom Certification is offered in cooperation by the Office of Evangelization & Catechesis and the Office of Catholic Schools.

B. Why is it important?

Catechetical formation for Administrators, parish staff members and Catholic School teachers has been a long time expectation in the Diocese of Madison. In order to properly give Catechetical formation to their students, “Professional Catechists” ought to be receiving personal and professional formation. The General Directory for Catechesis states, “...Diocesan pastoral programs must give absolute priority to the formation of lay catechists...Therefore, it is necessary to plan for and participate in formation that assists a teacher/catechist ‘to mature as a person, believer and as an apostle.’” GDC 234, 238. Finally, in 2008 the Bishops of the Wisconsin Catholic Conference reiterated the necessity for all professional lay catechists to seek and maintain certification in order to maintain their employment.

C. Who needs to get it?

The Institute is for all adults seeking to deepen their knowledge of the Catholic faith. In addition to offering general certificates for adult formation, the institute also offers certification for parish catechists, Catholic school principals and teachers, directors and coordinators of religious education, youth ministers, and all those involved in any form of adult religious education. Other personnel serving in parish leadership positions are encouraged to register and attend as well.
