Did You Know?

At Christmastime, families come together to spend this blessed season surrounded by their loved ones, and for many families, this involves some travel. Parents with young children who are hitting the roads or the airways should be practicing situational awareness to ensure their children's safety. Situational awareness means staying alert and knowing what's going on around you. Keep an eye out for suspicious activity, and know where your family members are at all times. Don't allow yourself to become distracted by your phone or other electronics—it only takes a minute for a child to disappear from your eyesight. For more holiday travel tips, visit: <http://www.catholic.org/travel/story.php?id=65521>.

Christian Service Center:

This year in December, we would like to provide Christmas funds for 177 families. We are asking for your help to provide for our neighbors in need. Please make your donation by using the special green envelopes included in your monthly envelope package, or the blue envelopes in the pews, being sure to check the box next to "Christian Service Center". Thank you!
