Please make sure your shield represents who you are. Add color, outline text with marker, add images. Be creative! Make sure writing is legible. Remember the shields will be displayed in church. The template below is editable. You can type, color, etc. If you choose to do this, make sure you print it out and submit the completed form to the office.

If a saint shield is not turned in, a 3-page essay of the saint will be required.  
Plagiarism is not acceptable.

**Each student is required to complete the shield and bring it to the office on Sunday, October 31, 2021. Without a saint shield or report you cannot continue your journey towards Confirmation.**
