**27 Magic Words** by Shelle Byars Morganville Although Kobi's parents sailed into a storm five years ago, she believes they are alive, and when she is sent from her grandmother's luxurious Paris apartment to live with an uncle in Iowa, Kobi tells lies that soon catch up with her. ☞2016 Grade Level: 5–7

**Because of Mr. Terupt** by Rob Buyea It's the start of fifth grade for seven kids at Snow Hill School. **The First Rule of Punk** by Celia C. Pérez There are no shortcuts to surviving your first day at a new school—you can't fix it with duct tape like you would your Chuck Taylors. Her dad, who now lives a thousand miles away, says things will get better as long as she remembers the first rule of punk: be yourself. 2018 Pura Belpré Author Honor Book ☞2018 Grade Level 5–7

**Stella by Starlight by Sharon M. Draper** Stella lives in the segregated South—in Bumblebee, North Carolina, to be exact about it. Some stores she can go into. Some stores she can't. Some folks are right pleasant. Others are a lot less so. To Stella, it sort of evens out, and heck, the Klan hasn't bothered them for years. 📖2016 Grade Level 5-8

**Sylvia & Aki by Winifred Conkling** At the start of World War II, Japanese-American third-grader Aki and her family are sent to an internment camp in Poston, Arizona, while Mexican-American third-grader Sylvia's family leases their Orange County, California, farm and begins a fight to stop school segregation. 📖2011 Grade Level 4-7

Dear Parents,

Our fourth graders had a busy year learning new math skills. Mastery of all these skills is extremely important. The fifth grade math program will build onto these fourth grade skills, so reinforcement of basic math skills and concepts is important.

Over the summer, in between relaxing and enjoying family time, please have your child complete the following math problems a page at a time. The packet includes reinforcement problems for the basic operations, estimating and solving word problems. Your child should bring the completed packet with them the first day of school.

Thank you in advance for your support. I am excited for what we will learn together next year in Math!

Mrs. Farish
