This is Truly a Win-Win!

Why not win money AND support Saints Simon and Jude School's events and activities?

When you support the Home & School Association, you support the MANY events and activities that help our children. **THANK YOU** for all you do!

This is How it Works!

Each family buys raffle tickets at \$50 each... **no limit!**

There are monthly drawings for \$500 throughout the school year. Drawings are held on or around the last Friday of the month during morning announcements between October and June.

Although tickets may be available throughout the year to purchase, original ticket holders will not lose their opportunity to win. When a winning ticket is drawn, it will not be put back in the raffle. *Note: SSJ must receive enough funds to break even, otherwise drawing cadence or payout may change.*

So get a few to increase your chances!
