**Quelques paroles de Monsieur le Cure**

By the time you read this, Berwick High School will have celebrated the graduation of the Class of 2017. The academic year has gone by all too quickly.

Our religion program follows the academic year for the most part. Religion classes begin the first full week of the academic year in August. The religion classes do end early because we do not require the same amount of instructional time as the school. Given the number of activities at the high school level towards the end of the school year, I have found it better to schedule confirmation early so as to avoid conflicts in the schedule.

Because of fewer extracurricular activities at the elementary level, I still schedule First Communion for the Easter Season, the liturgically ideal time for the sacraments of initiation.

In our parish, the Director of Religious Education is a paid position. The teachers and others who help in the program are volunteers. We could not have a program without these generous volunteers.

Please make an effort to personally thank your child's religion teacher. These people give up their time and share the faith with your children. As you know better than anyone else, your little darling is not an angel. Thank their teachers for being patient and understanding.

The volunteers this year were:
