CHRISTIAN SERVICE CENTER 337-893-9756
This weekend is a joyful moment for our Diocese: seven young men are ordained Priests for the Church. Fr. Andrew Schumacher and his classmates join a fraternity of shepherds who have been called to serve God’s people. We congratulate them and assure them of our prayers as they begin this humble ministry.

We also celebrate this weekend the Feast of the Birth of John the Baptist. He played a very special role in the life and mission of Jesus Christ, his cousin. One might even say that John’s fervor and spiritual strength inspired Jesus as a young man and reaffirmed his own calling by God his Father. It is John who “prepared the way” for the Lord, urging people to turn back to God, to make straight any crooked paths in their life.

John was called by God from early on, just as we are called in baptism. His role was to point to something, someone, larger than himself. We, too, have been called to do this through the witness of our personal lives. Our calling is far less dramatic, but it is just as real.

Fr. Andrew Schumacher
On Sunday, July 1, at 9:00 AM Fr. Andrew Schumacher will celebrate his first mass with us here at St. Mary Magdalen Church. We invite you to come join us as we pray with him, giving thanks to God for calling this young man into faithful service as a priest. Fr. Andrew has been assigned to the Cathedral as Parochial Vicar (Associate Pastor).

The US Bishops are meeting this week in Florida. Bishop Deshotel is present. The following statement on asylum and family separation was released June 13, 2018.

A Statement from Daniel +Cardinal DiNardo

"At its core, asylum is an instrument to preserve the right to life. The Attorney General’s recent decision elicits deep concern because it potentially strips asylum from many women who lack adequate protection. These vulnerable women will now face return to the extreme dangers of domestic violence in their home country. This decision negates decades of precedents that have provided protection to women fleeing domestic violence. Unless overturned, the decision will erode the capacity of asylum to save lives, particularly in cases that involve asylum seekers who are persecuted by private actors. We urge courts and policy makers to respect and enhance, not erode, the potential of our asylum system to preserve and protect the right to life.

Additionally, I join Bishop Joe Vásquez, Chairman of USCCB’s Committee on Migration, in condemning the continued use of family separation at the U.S./Mexico border as an implementation of the Administration’s zero tolerance policy. Our government has the discretion in our laws to ensure that young children are not separated from their parents and exposed to irreparable harm and trauma. Families are the foundational element of our society and they must be able to stay together. While protecting our borders is important, we can and must do better as a government, and as a society, to find other ways to ensure that safety. Separating babies from their mothers is not the answer and is immoral."
