BE OPENED! LISTEN!

Jesus today takes on the role of “medicine man” by using an earthy means (spittle) to perform a healing miracle of someone who cannot hear or speak. I imagine that this man didn’t care how Jesus cured him. He was just grateful to be able to hear and speak.

What I find interesting is that after he was cured, we don't know what he heard or spoke. I'm sure in his day there was a lot of criticism, negativity and gossip too. Hopefully he heard good things and chose to “speak plainly” words of kindness and thanksgiving. Curiously, after Jesus gifted the man with clear speech, he then told him not to speak about it.

How are we to remain open to being cured of our impediments? So many distracting noises vie for our attention. In letting everything in, do we really hear anything at all? Perhaps the cure for all impediments is silence so we can hear God’s intimate voice in our own hearts. Take some time each week, in fact, each day, to find that quiet space, and reconnect with God. Reflect on all the good that God has done for you. In your prayerful silence, give him thanks.

“Breathe in the fullness of Jesus and breathe out anything standing between you and Jesus.”

A STEWARDSHIP CONVERSATION

Join John Listi in this Stewardship Discussion. “Today’s readings offer a beautiful illustration of Parish Stewardship — hospitality and service — and the joy that a life lived for others can bring. We are to welcome and serve everyone who walks through our church’s doors, extending a warm greeting to all. The more we give of ourselves to welcome and serve others for Jesus’ sake, the more Jesus blesses and strengthens our own faith. This week let’s challenge ourselves to step out of our comfort zone to reach out to someone who needs to hear the Good News of Jesus. We may just find ourselves astonished at what miracles Jesus accomplishes! “
