GIVING OUR ALL
The gospel is a series of contrasts – rich and poor, greedy and generous, arrogant and humble and it is not difficult to guess which of them Jesus is praising. The lady in question, a poor widow, may not even have heard the praise of Jesus but the disciples were left in no doubt where Jesus’ sympathies lay.
In today’s Gospel, Jesus praises the widow who gave all she had for God. Society was supposed to care for her, but didn’t. The religious people were meant to look after the widow and the orphan who had nobody else to fight their cause.
From the gospel we must take the invitation of Jesus to give ALL; the amount given is not the big question, it is the giving of the heart. Jesus was talking about was more than money – it was to give the first things in our life to God. That is the call to all of us.
Those things we perhaps can give to God are the love we are called to receive and to give, to care for other things of God too like creation, justice, peace and reconciliation. It is to give time to worship God at Mass with others, and in private – to create a space and time for prayer in each day of our lives.
The widow of the gospel had a generous heart, as did the widow in the first reading. They looked outward to the needs of others and the things of God, and gave what they could. Can we not do the same?
Word of the Day—Lord teach me to know you more, love you more and serve you more faithfully in my life
St Ignatius Loyola
