FROM THE PASTOR

THE COST OF FORGIVENESS
The Gospel today (Luke 15) deals with things LOST and FOUND. A lost sheep, a lost coin, a lost son. This past week we marked the 18th anniversary of the September 11 terrorist attacks. It would be good to reflect on what has been lost and found since 9/11. Many would say the world became smaller and less secure for them on that day; others might say that there was a loss of innocence for our generation. Still others feel that the terrorist attacks made us more suspicious about people of different religions and ethnic cultures.

While it has been eighteen years, many people still struggle to forgive. As we remember those whose lives were taken in the attacks, we may find ourselves like one of those biblical figures yet again: some are stiff-necked, wanting not justice but vengeance in the face of evil; others have given up on God and God’s ways, falling into despair. Some are just closed to any compassion rather than seeking understanding. Finally, thankfully, there are yet others who remain determined to forgive, even when it is difficult to do so.

WORD OF THE DAY
There is a nobility in compassion, a beauty in empathy, a grace in forgiveness.
John Connolly

MEN’S ACTS RETREAT JAN 23-26
Registration will be available later in September for the ACTS Retreat to be held Jan 23-26, 2020.

An ACTS Retreat is a parish-based event which offers parishioners an opportunity to experience the love of Jesus Christ. This in turn fosters a desire for intentional discipleship.

ACTS Retreats are given by parishioners for parishioners, and in this way, serve to build Christian community at a parish.

STEWARDSHIP BRINGS LASTING VALUES
You are always with me, and everything I have is yours. Luke 15:30

Our Heavenly Father gives us everything, including the chance to share in the Eternal Kingdom. Yet, like the Prodigal Son we are often lured away by the materialism of our society.

Do we really want to turn our backs on Stewardship and all that God offers in exchange for a material wealth that has no lasting value?
