**FROM THE PASTOR**

**My “Sacrificial Gift”**

In the beginning of Luke’s Gospel, we heard the “Magnificat” of Mary. One verse is: “The hungry he has filled with good things, while the rich he has sent away empty.” In today’s Gospel (Luke), Jesus tells the parable of the rich man and Lazarus. Take note that the rich man is not condemned because of his wealth. Rather it is because he did nothing to help the poor beggar at his door that he ends up in eternal torment. It was all about himself.

Given our reflections this weekend on financial stewardship: sharing our treasure with those in need, this story shows that in the end God will even things out if we don’t make the efforts on our own. The rich man had plenty of comforts in life and took little notice of Lazarus’ suffering. In the end, it was Lazarus who enjoys paradise while the rich man was in torment.

A person that gives is twice blessed. A family that shares reaps more fruit in their lives. Sacrificial giving is supposed to cost us. I ask you to take time this week to reflect on your sacrificial giving to your parish church. Thank you.

**Word for the Day**

Jesus’ vision is a world in which people are more concerned with giving than with having, with sharing than with possessing, with serving than with being served; where each person is valued for what he or she is rather than what they have.

+Bishop Robert Moreau
