

## Update – November 20, 2020

**Governor's Latest Executive Order:** There have been questions regarding the Governor's Executive Order and its impact on churches. Nothing will change regarding the celebration of the Mass. Church services have not been affected.

Here is the text from the Governor's Office on this issue: *"Neither a place of religious worship nor its owner is subject to penalty under this order for allowing religious worship at such place. No individual is subject to penalty under this order for engaging in religious worship at a place of religious worship."*

But for the safety of our people, it is very important that our Protocols and Guidelines for the Celebration of Sacraments be strictly followed:

- Masks are to be worn at all times in the church building.
- There is hand sanitizer at all doors to be used when you enter and exit the church.
- Keep the six feet social distancing at all times
- Follow the blue marks on the carpet to keep social distancing for Communion and for entering and exiting the church.
- When you arrive at church, please sit down immediately.
- The ushers will release you pew by pew at the end of Mass. When you leave your pew you need to leave the church building immediately. There will not be any gatherings inside the church.
