GUIDE TO GIVING

**Prayerfully consider the following methods to determine your gift.
Your gift is proper when you are at peace.**

1. Locate your family income in the left column. Then move across the row to select the pledge amount.
2. Consider increasing your gift yearly to slowly get to the next percent level (for example: if you currently give 2%, consider 4%).
3. Strive to reach the goal of giving your parish 5%. That is equal to two hours of work per week.
