

Dear Parish Family,

As plans are changing rapidly, we endeavor to keep up with the constantly modified directives. Late this afternoon, a new memo was sent out to all Priests of the Archdiocese of San Antonio. The archdiocese has now issued new directives. Effective immediately, in addition to the suspension of weekend Masses, all Daily Masses are now cancelled until further notice. This means that tomorrow morning's Friday 7:30 AM Mass is hereby cancelled. The Adoration Chapel will remain open for prayers so please make use of it. Public crowd size has now been limited to ten (10) people, therefore please wait outside the Adoration Chapel if you see ten people already present and enter when you see someone exit. We do what we can to ensure the health of our family and neighbors to prevent the spread of Coronavirus. As additional information is received, we will continue to update you. If you are unable to view the bulletin online through our website, please stop by the Adoration Chapel (or the Parish Office during business hours) to pick up a copy.

We are still one Parish Family and will continue to remain so. This is now the most memorable Lent for me and I pray that we can cling every more tightly, in this penitential season, to our most loving Lord and Savior, Jesus Christ. Please pray for all of us as we cope with these rapid changes and hope for an expedient cure!

In Christ,
Wesley Crenwelge
