

## A Message from Fr. John

Dear Brothers & Sisters,

With a grateful heart we are happy to announce that the Archdiocese has lifted further restrictions! We are excited to relay to you, for those who have been vaccinated, masks and social distancing are no longer required. Verification of the vaccine will not be necessary, as it is our hope that we can all work on the honor system.

There are a few restrictions that will remain for your benefit:

- No water in the holy water fonts
- No hymnals (\*we will continue to have worship aids that can be accessed by scanning the QR codes in the pews)
- For the time being, reception of Communion in the hand only
- Sanitizing of hands and pews at all Masses will continue

As always, please stay home if you are not feeling well. Thank you again for your commitment to the health and safety of our parish family!

Your brother in Christ,

Father John
