

HOW TO BOOK NOW THAT WE ARE IN THE CHURCH

The CDC guidelines changed this week. Those who have been fully vaccinated are no longer required to wear a mask either indoors or out. We presume that any person here who is not wearing a mask has been fully vaccinated. The right-hand side of the Church is now open and you may sit anywhere without reserving a seat. The left-hand side of the Church is for those who wish to continue to Social Distance you must reserve seat(s) on this side.

Blue Dot means the seat are available, Grey or Black means they are taken.

If you need 1 seat you must book both of the seats at one of the ends of the pew. Do Not Leave an empty spot.

If you need 2 seats book both seats at one of the ends of the pew.

If you need 3 or more seats book all the seats on the pew do not leave an empty spot. If there are only 2 spots available on a pew and you need more do not book that pew.

Please remember we have families who need the whole pew, so please try to book where one side of the pew is already booked if you need just 1 or 2 seats. Your spot maybe moved if I need to accommodate families who need the whole pew.
