Prayer Against Coronavirus - Lord Jesus Christ, our Divine Physician, we ask you to guard and protect us from Coronavirus COVID-19 and all serious illness. For all that have died from it, have mercy; for those that are ill now, bring healing. For those searching for a remedy, enlighten them; for medical caregivers helping the sick, strengthen and shield them. For those working to contain the spread, grant them success; for those afraid, grant peace. May your precious blood be our defense and salvation. By your grace, may you turn the evil of disease into moments of consolation and hope. May we always fear the contagion of sin more than any illness. We abandon ourselves to your infinite mercy. Amen.

- Pedro de la Cruz

A Family Perspective by Bud Ozar

As the Father "sent his son into the world" so parents send their children into the world "so that the world might be saved." This is the missionary role of the Christian family. Your family is a school where your children develop convictions which enable them to make a difference in the world.

We would like to congratulate all of our 2020 Graduates!!! We wish you well in your future endeavors.

Graduation Prayer

Father,
I have knowledge, so will You show me now,
How to use it wisely and find a way somehow
To make the world I live in a little better place,
And make life with its problems a little bit easier to face.
Grant me faith and courage and put purpose in my days,
And show me how to serve Thee in effective ways.
So my education, my knowledge and my skill
May find their true fulfillment as I learn to do Thy will.
And may I ever be aware in everything I do,
That knowledge comes from learning, and wisdom comes from You.
Amen.

"We are formed by environment and grace, by politics and prayer, by church and conscience. All God's creatures conspire to teach us as well. We stumble. We stutter. We rise. We are lifted."
