12 Myths about Marriage Annulments in the Catholic Church

Myth Number One:

A Divorced Person is Automatically Excommunicated from the Catholic Church

The truth is that divorce itself does not affect or alter a person's status in the Catholic Church. Divorce is a function of the civil law and secular courts. Although it has been a widespread misconception for many years, it is a myth that a divorced Catholic is "excommunicated," this is, not able to receive the sacraments within the Church.

God is love, and all his operations proceed from love. Once he wills to manifest that goodness by sharing his love outside himself, then the Incarnation becomes the supreme manifestation of his goodness and love and glory. So, Christ was intended before all other creatures and for his own sake.

-St. Lawrence of Brindisi, (1559-1619), Priest, Doctor of the Church, Feast Day July 21

A Family Perspective by Bud Ozar - The stress and anxieties of family life are like "thorns which choke off" any opportunity to reflect on God's presence in our lives. Notice in today's gospel Jesus "left the house" so He could connect with His Father. Grasp five minutes each day to appreciate God walking with you.

Across: The Father Tolton Movie - Short film viewing about the boyhood of the first African American priest and his attempt to escape slavery in 1863. Film will be followed by historical presentation about Venerable Augustine Tolton and Q&A with Writer/Director Christopher Foley. Bishop Ronald Gainer and Bishop Joseph Perry, postulator for the Fr. Tolton canonization cause, will join our discussion. Screening and presentation will be offered using the zoom platform on Friday, July 31, 2020 at 6:30 PM. Mission talk from Fr. Patrick Kroteh, Mission Representative for the Diocese of Cape Palmas, Liberia, West Africa... I am Fr. Patrick Kroteh, a priest from the Diocese of Cape Palmas, Liberia.

The country Liberia was founded when slavery was abolished in the United States in the 18th century. Slaves repatriated to Africa settled in a place we now call Liberia. The population of Liberia is about 4.5 million people. Literacy rate of Liberia is about 48.3%. About 83.3% of the population lives on less than US \$1.25 per day. About 12% of the population has access to electricity. The nation is recovering from the effects of a brutal civil war that killed more than 250,000 people. Liberia was among the three countries that suffered the deadly Ebola virus disease attack. These situations broke down every aspect of the country. Trying to get on our feet again, we join the rest of the world to go through the COVID-19 that has stalled everything in our country like any other country. Our situation is perhaps more devastating because of the issue of the COVID-19 has exacerbated our present struggle against bad economy and low standard of living.

The Diocese of Cape Palmas sees herself as an agent of the Good News of Jesus Christ in such a country with all these problems. For effective evangelization, the Diocese established institutions like schools, clinics, Catholic Justice and Peace Commission to defend the poor who are often suppressed, and also CATRITAS to cater to the social needs of people. We rone parishes to take care of the pastoral need of the faithful.

Running these institutions often pose a challenge to the Diocese in the face of all the social and economy problems. It is against this background that we are making this appeal to you so that we will continue to be effective agents of the Good News of Jesus Christ.

Money collected from this appeal will be used for religious education, provide health care for the elderly and the disadvantaged in our society, assistance for kids who are orphans as a result of HIV and AIDS, provide education for the needy.

*May God Bless you are you continue to share in the Mission to which all of us are called by the virtue of our baptism. **The collection will be taken this weekend, July 11/12.***
