12 Myths about Marriage Annulments in the Catholic Church

Myth Number Nine:

An Annulment is Just "Catholic Divorce"

The truth is that civil divorce and a church annulment are two vastly different things. A divorce is concerned with the legal realities of marriage only; an annulment is concerned with the religious and spiritual element—the sacrament of marriage. A divorce focuses on the end of a marriage; an annulment looks at the beginning, the very moment the couple said "I do." A divorce looks at marriage in civil law; an annulment looks at marriage from the perspective of the Gospel and of Church doctrine. It is a myth that an annulment is "Divorce, Catholic style."
