A special Collection will be taken up on the Weekend of September 19 and 20 for those impacted by Hurricane Laura and other natural disasters. Attached are the Letters that the United States Conference of Catholic Bishops (USCCB) provided which details some of the damage in the Diocese of Lake Charles in Louisiana. The funds collected will support the USCCB Bishops Emergency Disaster Fund. As Archbishop Gomez, President of the USCCB, states in his Letter: "The funds collected in this special appeal will become part of the Bishops Emergency Disaster Fund and will be used to support the efforts of Catholic Charities USA and/or Catholic Relief Services, the official relief agencies of the U.S. Catholic Church, as they and their local agencies respond to immediate emergency needs for such necessities as water, food, shelter, and medical care, and aid in long-term rebuilding and recovery efforts; and the United States Conference of Catholic Bishops for pastoral and reconstruction needs of the Church." Bishop Gainer commented, "Just a few years ago I had the privilege of preaching the annual retreat to the priests of the Lake Charles Diocese. I was very impressed by their zeal and dedication. Now they and the people they serve need our help. I realize that the pandemic has impacted our families and parishes but I know the generosity of our Catholic faithful and trust that our sacrifices will not go unrewarded." Please be generous.

**12 Myths about Marriage Annulments in the Catholic Church**

**Myth Number Ten:**

***“An Annulment Means The Marriage Never Took Place”**  
The truth is that an annulment can't erase history, and doesn't try to. An annulment in the Catholic Church deals only with the sacrament of marriage, and not the legal, historical, emotional truth of marriage. An annulment states that the sacrament was never present in the marriage, and not that the marriage never took place. It is a myth that an annulment means that the marriage never happened.*
