

G Suite for Education Account Policy

Students at St. Mary of the Lakes School will be given the opportunity to use Google Workspace (Google's applications for education) to communicate and create digitally with their teacher. Some frequently asked questions are below, including how Google manages their information. Please review the information, let us know if you have any questions, and sign the form on FACTS indicating you are aware that we will be using Google's platform in the classroom. Students are responsible for appropriate conduct while using all technology. Inappropriate use of the technology in any way will result in a loss of privileges.

I am aware that SML school will create/maintain a Google Workspace for Education account for my child.

G Suite for Education Notice to Parents and Guardians

Using their G Suite for Education accounts, SML students may access and use only some of the "Core Services" offered by Google
