FATHER'S ADDRESS:

- Lent and Easter thankfully went well.
- We will have a second collection to pay for the upcoming 'Father's of Mercy Mission'.
- We will start giving the congregation the option to auto e-pay their weekly donations, and it will start in June or July of 2017.
- Cameron Foundation has asked St. Mary's to liquidate the funds we received from them, so we have signed a contract to begin work on repairing one of the stain glass windows in the church. This will also include a protective covering to help prevent future damage. That work will begin very soon.

MINUTES: Minutes from non-meeting read by Renee.

OLD BUSINESS:

- Eloy has already made the flyers, and the committee will have a meeting soon to work on what else is needed. Everyone agreed that the prayer on Sunday in preparation of the mission was an excellent idea.
- G-mail account is working out well, and has already started to receive e-mails and they are being taken care of.
- Shari gave a brief outline of plans for Pentecost.
- Carlos will be looking into designs and prices for the PC name tags.
- We will combine the Pot Luck with Ministry Sunday in August.

NEW BUSINESS:

- We will add an announcement at the beginning of Masses for anyone needing Communion brought to them to please let an usher or greater know before Mass begins.
- We need to advertise the hearing aid devices that are in place now in the Church better.
- We will begin to reserve seating for commentators and lectors for each Mass.

CLOSING PRAYER: Lead by Renee all present participated.

Renee Cortez, Recorder
