

Flocknote is an excellent tool for our Parish to reach out to our Church Family. It can be setup to where individuals are simply receiving urgent communication that they can respond via text, just like they would a regular conversation. It's a helpful tool for our Church family to stay in contact and to reach out if they need help and especially for those involved in the ministries and organizations of the church should register to facilitate rapid group communication.

Ways to register to FLOCKNOTE:
