

From Fr David Cottingham, C.S.Sp.

Many thanks to Fr Mario, Deacons Arturo and Bob, Adam, Fred, Anne and all the parish for allowing me to share in your spiritual journey at St Cyril's Parish. It has been a pleasure and an honor to do so.

I found much strength in your kind welcome and support in the time I have been with you. I especially enjoyed the beautiful mixing of nationalities and cultures and the vibrant participation in the life of the parish that I saw there.

I pray you will continue to grow in the life of Christ with each other and ask you to keep me in your prayers as I take on becoming a pastor in a difficult situation in Baltimore.

Some have asked to keep in touch so my new contact info is below.

I offer a long distance Scripture group and have available each Sunday and Holy Day's readings with notes for any who are interested. If you are interested in either/both send me an email and I can send you a link to the readings and info on the scripture group. Just give me a week or so after I arrive there to get settled (arrival by 7-15).

God bless,
Fr David Cottingham, C.S.Sp.
