

STEWARDSHIP COUNCIL 5/20/19 MINUTES

Present: Ptasek, Murray, Deacon Guy, Thomas, Lambrecht, Walsh, Daykin, Gale

Meeting begins and ends with a prayer.

Meals: Angie Daykin reported on the setting up of *Meal Train*, an on-line program coordinating meals [and possible other services] for parishioners who request help.

- There will be 5 administrators; requestor will have a designated administrator, not all 5.
- Requestor will log in to Meal Train & list pertinent information [e.g., number of meals needed, foods liked/not liked, allergies, etc.]
- First details will appear in Sunday bulletin.
- Deacon will be the Stewardship Liaison.

Coffee & Donuts: Sarah Mergen will orchestrate program; Donna Murray will assist. Consensus is that program should continue during the summer using paper place mats instead of linen tablecloths. Carolyn will put an article in the bulletin thanking Tina & her husband for their help over the past year.

Budgets: Will remain the same as last year.

Young Women's Shelter Program: Women of Sacred Heart will learn about this program at the September meeting & possibly allocate funds.

New Members for Stewardship Council: Time for some new, possibly younger, members. Person must be a registered parishioner, having been baptized, confirmed & married in the church.

Liaison: Carolyn reminded all stewards to contact their ministries on a regular basis.

Fall Training on Stewardship: A 3-series program is being planned.

Discussion took place concerning spirituality & the need to increase it at SH; the Parish Council is working on missions. Several people mentioned the need for retreats.

Meetings: No meetings during the summer. Meetings will be on the third Monday of the month when we resume.

Respectively submitted: Helen Walsh 5/21/19
