

STEWARDSHIP COUNCIL MINUTES

November 23, 2020

Present: Stewardship Council Members: Thomas, Walsh, Gale, Murray, Brown, Walsh

Carolyn opened meeting with a prayer.

Carolyn reported that Faith Formation will stop on December 10 and not resume until January 17, 2021 because of Covid concerns. Neither teachers nor students have tested positive.

REALM: Carolyn asked council members to call their assigned ministry leaders to encourage them to set up a REALM account. There is a REALM "lab" scheduled for November 30. Jack MacMillan will help attendees learn how to use REALM.

WELCOME packets containing a letter from Fr. Forbes, a ministry contact sheet, a history of the church & a booklet [Growing Our Gifts] are sent to new parishioners. Two weeks later Monica Loferski & Joan Rhoades make personal welcome calls. Based on the input from these calls, the Council concurred that the cost of reprinting the booklet is unnecessary. As a further saving, Fr.'s letter & ministry list will be emailed.

Helen will get Women of SH brochures to Carolyn for inclusion in packet.

WELCOME DESK will resume staffing in 2-3 months.

MINISTRY LIST has been updated. Since most of the groups are not meeting now, Carolyn will update the status of each ministry's Stewardship Council liaison.

EMBERS, part of Adult Faith Formation, is asking parishioners to make them aware of someone who would like to have a holiday meal or a parishioner who would like to share their holiday meal.

Respectively submitted, Helen Walsh November 23, 2020
