WHERE FAITH AND KNOWLEDGE MEET

LIFETIME LIONS ALUMNI NEWSLETTER

Summer 2017

PRINCIPAL'S MESSAGE

Dear St. Mark Alumni and Parents: The summer alumni newsletter is probably my favorite because it not only contains amazing news from our former students, but also many recent high school graduation accomplishments.

I'd like to take a moment to congratulate our own class of 2017 that will be starting high school this fall. This class received a whopping \$126,450 in high school scholarships, and 100% of students who applied were admitted to Catholic high schools. We are so proud to welcome them to our alumni family.

Our former students who graduated from high school this year also received numerous awards and accolades, and the college scholarships they received are simply incredible.

For more information about where the recent high school grads (who we affectionately refer to as the "St. Mark Class of 2013") are attending college, check the June 16 issue of [The Texas Catholic newspaper](#). St. Mark happens to have a special ad in the print version of that issue honoring our former lions who just graduated from high school, so don't miss it, Class of 2013!

St. Mark alumni continue to move onward and upward and we love nothing more than to share their progress.

Speaking of moving onward and upward, be sure to read the recent highlights from the St. Mark campus. From old traditions to new
