

ST. MARK CATHOLIC SCHOOL

WHERE FAITH AND KNOWLEDGE MEET

LIFETIME LIONS ALUMNI NEWSLETTER

Summer 2018

PRINCIPAL'S MESSAGE

Dear St. Mark Alumni and Parents: It never ceases to amaze me just how much our alumni continue to accomplish during their high school years and beyond, though it shouldn't, knowing what a strong foundation they receive here at St. Mark. As I tell prospective families all the time, we prepare our students well -- mentally, physically and spiritually. We know, because we meet with the area Catholic high schools annually to see how our students are performing. More often than not, former St. Mark students are on the honor rolls, serving in leadership roles, and serving others in countless ways during their years at our Catholic high schools. We also get updates from graduates and parents who share their many great successes with us. It's all a testament to what is achievable when faculty, staff, parents, students, alumni and parishioners come together and insure that St. Mark Catholic School continues to be a cornerstone of our community's foundation.

All that being said, it will come as no surprise that St. Mark alumni who are members of the high school Class of 2018 racked up some extraordinary successes this year. We've outlined many of them below. What an impressive group! In case you missed it, be sure to check out the June 15 issue of *The Texas Catholic* to see where they will attend college.

Speaking of success, thanks to the success of our fundraising efforts and continued support of our St. Mark community (including many of our alumni families), campus improvements continue. This summer, we're installing all new ceilings, lighting, and water fountains throughout our buildings. Fresh paint, a new interactive exploration area in the Early Childhood building, and a major face lift in the Lion's Lair Gym are

A NATIONAL SCHOOL OF EXCELLENCE

St. Mark Catholic School is a two time recipient of the U.S. Department of Education National Blue Ribbon Award. This means that St. Mark students consistently score in the top 15% in the nation on standardized tests.

among the changes you'll see the next time you visit campus.

We're looking forward to another great year and hope you'll continue to be a part of it in any way you can. Visit the campus, teach an elective, volunteer to mentor students, participate in our events, make a donation, or simply pray for our school and parish. It takes all of us to keep St. Mark Catholic School moving forward. How blessed we are to have you as part of our community.

Sincerely,

Patricia Opon, Principal
