After School Program Hourly Billing - Frequently Asked Questions

How will the hourly billing rate be assessed?

The fee structure for after school care will be an hourly rate until 6:00 PM (or 3:00 PM on most early dismissal days). The hourly rate will be pro-rated in 30 minute increments (3:30 to 3:59, 4:00 to 4:29 etc.).

Students not picked up by 6:00 PM (or 3:00 PM on early closure days) will incur an additional charge of \$1 per minute.

How will late pickup be charged?

At 6:00 PM (or 3:00 PM on early dismissal days), the rate will change to the standard late fee of \$1 per minute.

How will pick up times be tracked?

We are implementing a new attendance system making it easier to track arrival and pickup times.

How do I pay for after school care?

After school care will be automatically billed through your FACTS account after the end of each month.

Do I still need to enroll my child in the After School Program?

All students attending the program must be enrolled and have completed the after school program registration form which can be found on the school website. Parents will select the day(s) of the week their child will routinely attend. Pickup times are not required.

A non-refundable annual fee of \$50 per family is due at the time of registration.
