

This message is being sent on behalf of Principal Pam Steinkirchner to all St. Mark families registered in FACTS Family Portal.

Dear families: As many of you have already heard in a press conference today, Governor Greg Abbott has rescinded the mask mandate for the State of Texas. Please note that St. Mark Catholic School, in conjunction with the Catholic Schools Office of the Diocese of Dallas, will not be making any changes to our Diocesan school masking protocol. We will continue to follow the recommendations of the medical staff and leadership in our Diocese. I will keep you informed of any changes as they happen.
