

## 7<sup>th</sup> and 8<sup>th</sup> Grade Summer Service Hours

Rising 7<sup>th</sup> and 8<sup>th</sup> grade students are **asked to try and raise** \$50 over the summer towards their 2022-2023 Make-A-Wish service project. Like so many organizations, Make-A-Wish has been greatly affected by COVID-19. Many young people have had their wishes put on hold. I know that if we work together we will once again have the great privilege to make a difference in a family's life. Raising the money is not mandatory, if your child is able to earn some money to help us reach our goal all efforts are greatly appreciated.

A few ideas for earning this money include babysitting, yard work, and pet sitting. Students may also simply donate their birthday or allowance money towards the cause. In addition, for every \$10 raised above their \$50 goal, students can decrease their Fall service hour requirement by 1 hour (Fall service hour reduction is capped at 5 hours, however, unlimited funds will be accepted). Please note that fundraising must be done during the summer months. All funds raised will be due at the same time (due date will be confirmed with students when they return to school in August, and will likely be in early September). Fall and Spring service hours are still required. –Stacy Oliver, 7<sup>th</sup>/8<sup>th</sup> Grade Religion Teacher
