

#HRserves

This weekend is a #HRserves weekend! So get out there and serve one another as a family.

Thoughts and ideas:

- find a way to server one another within the family
- Work on a family project together
- Do something nice for a neighbor, extended family
- write 'care notes' or 'just saying hi' cards for the elderly and mail them
- Snack Package Delivery to Neighbors with little ones at home!
- Free Babysitting (help some friends go on a date night!) or Free tutoring for those in Virtual School!
- Spread Kindness: Paint rocks with positive messages and place around the neighborhood, on doorsteps, at parks, etc.
- Deliver meals or baked goods
- TP or Egg houses! Purchase bulk Toilet Paper or cartons of Eggs and Deliver to neighbors with the note "You've been TP'd (or Egged) with love!"
- be creative
- there is no RIGHT or WRONG way to serve

The idea here is for your domestic church to grow in service together-to develop an atmosphere of linking **faith** and **action**. WE are called to love one another in fulfillment of our Baptismal call. This is a great way to grow in your faith through service.

Submit pictures/video/reflection on what your family did for #HRserves each month.

Share your experiences on social media using the #HRserves hashtag. Don't forget to tag Holy Rosary in your posts!
