2020 - 2021 High School Formation and Confirmation Prep Updates and Changes

This coming year the High School Formation and Confirmation Preparation programs will look a little different. We will be moving our Confirmation classes from Wednesdays to Sundays. This will be happening for a few reasons.

1. We will need to sanitize all surface areas after each class. On Wednesdays in the past, we had Middle School Edge until 7:30 and Confirmation class typically started immediately after that. With no Confirmation on Wednesdays, this will give us the opportunity to thoroughly clean and sanitize all areas of the parish building after Middle School Edge.
2. This will create an opportunity for those high school students who have already received the Sacrament of Confirmation to continue their formation in the faith. Our faith journey doesn't stop at Confirmation. This journey is ongoing. All high school students should really consider attending these nights.

There will be specific Sundays in which all high school students attend and one Sunday each month for just the current Confirmation class to attend. You will notice these dates on the schedule on the back of this letter. All 9th and 10th grade students are required to attend all the Formation Nights leading up to their Confirmation date. After the 10th grade students receive the Sacrament of Confirmation they are more than welcome to continue their formation in the faith and attend the High School Formation Nights.

We will meet Sundays from 6:30pm - 8:00pm for both the High School Formation Nights and Confirmation Prep Nights.

The High School Formation Nights will be similar to how we have been running the Middle School Edge program. These nights will focus on various topics of our faith including issues that teens face today.

The Confirmation Preparation Nights will be similar to our Confirmation classes in the past. We will only focus on the Sacrament of Confirmation on these nights. Be sure to look at the schedule closely for when 10th grade continues to meet and when 9th grade will begin to meet. The hope is to have a Confirmation retreat this Spring for 9th grade students.

The hope is to also offer a virtual at home option as well for each of the nights. It would be preferred for the Confirmation students to attend the Confirmation Nights in person, but we can always work with you if you prefer the at home option. My hope is to live stream each night but allow for full participation in each class through the online method.

I'm asking at least one parent to attend the first Confirmation night, **Sunday, September 13th** from 6:30pm - 8:00pm which will be for both 9th and 10th grade. We will go over how the year will look and expectations for each of the Confirmandi (those preparing for Confirmation).

As we continue to move through these uncharted waters, let us continue to seek the Lord. My hope for this year is that we won't let this virus get in the way of our ever growing relationship with Christ. I know there will be many speed bumps and roadblocks in the way this year, but we will get through them. Continue to pray for all the youth of our parish that they will grow ever more closer to Jesus.

If you have any questions, please let me know. I will do my best to answer them.

God Bless,
Geno Finn
