

## BLESSED TRINITY PARISH FISH FRY GROUPS 2021 – 2022

Fish Fries have been a mainstay for the parish for many years. They are not only a financial support for the school but also a community event.

Fish Fries could not be successful without the support of the many volunteers. Volunteers are parishioners, school families, confirmation students, and anyone else with a helping spirit. Volunteers are needed most on the Friday of the fry – breaded fish, rolling fritters, or setting up in the afternoon (1pm), drive-thru, packaging dinners, working in the kitchen, etc. (3:30pm), or helping with cleanup (7:30pm).

The Fish Fries are divided into three groups, each with a Chairperson and Co-Chairperson. The season consists of seven fries, beginning with the first Friday in October. The reverse side lists each group and the parishioner volunteers. If you cannot work on your designated date, please ask a parishioner in another group to switch.

Fish Fries require everyone's cooperation, so let's all do our part by working together with a positive attitude. Please make note of the dates for your group when receiving this schedule. May God Bless you as you work for His greater honor and glory.
