

Dear Parishioners,

Fr. John has sent out an email to all Parishioners whose email address we had on file. There were a few that came back as undeliverable.

Please send an email to office@saintjohnpaulii-kewanee.org if you did not receive it, and would like to be on our mailing list, so we can include you. These emails will be sent from a "NO REPLY" address, which will not be closely monitored. Please do not reply to these messages!
