

St. Patrick Catholic School
5th Grade Summer Reading List
2020

Summer is here! Enjoy yourself, but remember to READ! This summer choose books (AR or not) that interest you to help you maintain and even grow your reading level. Choose books you haven't read before. If there is an author you like, read other books he/she has written. If you need ideas or just want to find a book in your reading range, remember the SPCS website's library page has a link to AR Bookfinder to help you find your AR reading range. That said, here is a list of great books (and authors) to help you get started. No summaries or reports required this year, just read!

Avi—The Secret School

Colfer, Chris—*The Land of Stories* series

Dahl, Roald—*Charlie and the Great Glass Elevator*

Haddox, Margaret Peterson—*Among the Hidden Series*

Lisle, Janet Taylor—*Afternoon of the Elves*

Wilder, Laura Ingalls—*Little House on the Prairie Series*

Riordan, Rick—any series (EVERYTHING THIS GUY WRITES IS AWESOME!)

Hunter, Erin—*Warriors* series

Russell, Rachel Renee—*Dork Diaries* series

Kinney, Jeff—*Diary of a Wimpy Kid* series

Remember, this list is just a suggestion. Read books that interest you!

Reading is dreaming with eyes wide open
