

Your Sunday Offering

During this pandemic with all its stresses and challenges, we are so grateful to continue receiving weekly offering gifts which help us fulfill the mission and work of the parish. Your Sunday donations are critically needed to get us through this difficult time, especially as we fall further behind our budget.

We have reduced our staff and administrative costs to offset the impact of reduced Sunday collections, but the needs of our ministries, families and community still remain. In addition, although our church is quieter than normal, the maintenance, utilities and insurance costs for 12 facilities do not go away and now include increased costs for COVID related cleaning as well as the live streaming of Mass for those who don't feel safe to attend in person. Without your help we cannot continue to meet these needs.

If you haven't already, please consider setting up a one time or recurring gift online. It takes two simple steps and the rest is seamless, automatic, and very flexible. Please visit our donation page at <https://churchofsaintann.org/donations> to learn more about this important service.

You can also continue to mail your gifts and envelopes to the parish office at St Ann Parish, 502 Main Street, Phoenixville, PA 19460.

And, of course, if you are able, please consider increasing your contribution. That said, any amount, regardless of its size, will help us navigate this difficult time and avoid further cuts in the services we provide.

Thank you for your continued support of our Parish. May God bless you and your loved ones and keep you safe.

In Christ,
Father News
