Today is World Day of Migrants and Refugees

In his Message for the World Day of Migrants and Refugees 2020, Pope Francis reminds us, “If we encounter them, we will get to know more about them. And knowing their stories, we will be able to understand them. We will be able to understand, for example, that the precariousness that we have come to experience as a result of this pandemic is a constant in the lives of displaced people.

When we talk about migrants and displaced persons, all too often we stop at statistics. But it is not about statistics, it is about real people!
