## **Family Connection**

Every family has special moments that they remember and share again and again. In sharing these stories, the meaning and importance of these events develop and deepen over time. This is how it was with the disciples' remembrance of Jesus' Transfiguration. The full significance of what they had seen and experienced could only be understood after Jesus' death and Resurrection. As they told other believers about this event and recorded the story for us in the Bible, our understanding of what it means to call Jesus God's own Son has also deepened.

As you gather as a family, think about some special family memories that your family tells over and over again. Talk about why these memories are important to you. Recall that in the Bible we find many important memories about Jesus that have been recorded for us so that we can believe that Jesus is God's Son. Read today's Gospel, Mark 9:2-10. What do we learn about Jesus from this Gospel? (He fulfills the promises God made to Israel through the Law and the prophets. God glorified Jesus in his Resurrection.)

Jesus is God's Son.) Conclude in prayer together that as we continue to read the Bible, we will deepen our understanding of and our love for Jesus. Pray together the Lord's Prayer.
